Near Zavattarello, in a hamlet called Ossenisio, in the middle of a group of stone houses, we are offering a detached property for sale that underwent renovation work completed in 1995. A country house suitable for those looking for a place where they can take refuge, enjoy a beautiful view from the porch, have a green space just big enough to satisfy the pleasure of planting a few flowers, breathe in the aroma of aromatic herbs, sit outdoors and sunbathe in total peace and quiet.

The ground floor benefits from a spacious kitchen, a large room/lounge currently being used as a bedroom, and a bathroom with a bath next to the window. On the first floor is a beautiful and brightly lit bedroom, a second bathroom with window, and a large living area with exposed-beam ceiling and beautiful view over the hills. The latter could be transformed into a third bedroom if so desired or required. The house is all in order, with roof insulation and methane heating.

For horse-riding and swimming enthusiasts, it is worth noting that there are riding stables in the immediate vicinity of the property, while in Zavattarello there is a sports centre with large swimming pool. A simple solution offering easy upkeep, in a pleasant location at 450 metres above sea level.
